278 Soya Mix Queen-Size SB is a light weight needle punched batting in a 50/50 blend of soya and cotton fibres.

It is softer and smoother than traditional waddings/battings. The soya fibres are very eco-friendly and also antibacterial.

278 Soya Mix is ideal for large area applications such as patchwork, quilts and lightweight jackets.

Quilt spacing should be a maximum of 10 cm.

278 Soya Mix is a natural product and we therefore recommend to treat it carefully. We advise to pre-wash the material if you want to make sure it will not shrink later on in the process.

Please, do not wring, allow to dry flat.
